

As we close out 2010 I want to share with you a litany of thanks for all you have done this past year:

- Thank you for all the Christmas cards and well wishes to me and my family. Your encouragement to us means more than you will ever know.
- Thank you for your faithful giving of your tithes and offerings and your continued support of our capital campaign. In the midst of very difficult economic times God has blessed 12th Street with financial blessings this year.
- Thank you for your patience and continued support for our relocation. This has been a trying year in many respects but God has been so faithful to see us through and we have been faithful to follow His leadership.
- Thank you for the honored privilege you have bestowed upon me to be your pastor. I love each and every one of you so much.

As we look ahead to 2011 we do so with an extreme anticipation and excitement as moving day is fast approaching. The construction at our new building is scheduled to be completed on March 14, 2011. We will have to allow time for us to move in and get everything set up. I am forecasting our first Sunday at our new location to be **April 3, 2011**.

Don't forget our **Homecoming and Chapel Choir reunion** scheduled for January 15 and 16, 2011. This will be an exciting weekend as former members and family converge upon 12th Street for one last gathering in the old building that holds so many memories for all of us. Be sure to mark this date on your calendar and make your reservations.

On Sunday January 9, 2011, we will begin the **Radical Experiment** at 12th Street. Many of you have already read the book and have attended the study. We will begin the process of becoming a **radical transformational church**. The emphasis will last for 9 weeks. There will be 8 weeks of preaching and Sunday School lessons for everyone. On Sunday, **March 6, 2011** will be **Radical Commitment Sunday**.

I am so excited about 2011. I hope you are, too. Please continue to pray that we will be found faithful to all the Lord leads us to do. We have yet to see all the blessings that God has in store for 12th Street. Happy New Year to everyone!

Bro. Craig

FIVE FINGER PRAYER

1. YOUR THUMB is nearest you. So begin your prayers by praying for those closest to you. They are the easiest to remember. To pray for our loved ones is, as C.S. Lewis once said, a "sweet duty."
2. Next is the POINTING FINGER. Pray for those who teach, instruct and heal. This includes teachers, doctors, and ministers. They need support and wisdom in pointing others in the right direction. Keep them in your prayers.
3. Next is the TALLEST FINGER. It reminds us of our leaders. Pray for the president, leaders in business and industry, and administrators. These people shape our nation and guide public opinion. They need God's guidance.
4. The fourth finger is our RING FINGER. Surprising to many is the fact that this is our weakest finger, as any piano teacher will testify. It should remind us to pray for those who are weak, in trouble or in pain. They need your prayers day and night. You cannot pray too much for them.
5. And lastly come our LITTLE FINGER - the smallest finger of all which is where we should place ourselves in relation to God and others. As the Bible says, "The least shall be the greatest among you." Your pinkie should remind you to pray for yourself. By the time you have prayed for the other four groups, your own needs will be put into proper perspective and you will be able to pray for yourself more effectively.

All of us at Hopkins wish you a HAPPY BLESSED NEW YEAR.
