

What are you praising God for these days:

I am praising God for . . .

- The wonderful blessings He is pouring out on 12th Street.
- Abundant Life Church and the blessing they are to us.
- The faithful giving of 12th Streeters to our capital campaign.
- The new faces and families I am seeing each week as we worship.
- The familiar faces and families who have been so faithful during this time of transition.
- The new members who have become a part of our family.
- A great ministry team.
- All the people who accepted leadership positions this year.
- The nearing of the time when we can begin construction at our new location.
- Tammy and Jordan who encourage me and love me.
- A church that has a vision for making a difference in our field of ministry.

My list could go on and on. What are you praising God for? Send me an email and let me know craig@12thstreetbaptist.org.

Greetings from Hopkins Chapel Mission Church: GOD IS Author Unknown

- When you are the neediest, God is the most sufficient.
- When you are completely helpless, God is the most helpful.
- When you feel totally dependent, God is absolutely dependable.
- When you are the weakest, God is the most able.
- When you are the most alone, God is intimately present.
- When you feel you are the least, God is the greatest.
- When you feel the most useless, God is preparing you.

- When it is the darkest, God is the only light you need.
- When you feel the least secure, God is your rock and fortress.
- When you are the most humble, God is the most gracious.
- When you can't, God can!

God bless you till we meet again.
